(Age 2 – 3 & 3 - 5 with adult)

Come explore the wonders of Mother Nature and enjoy the beauty of new life in the spring with your young naturalist! Discover the various amazing open spaces Wellesley has to offer. Learn how flowers grow and discover worms and other creatures under the soil. Investigate birds building their new nests and the march of amphibians from the forest to vernal pools. Each class follows a specific, seasonal theme. Weekly classes include hands-on nature exploration, active movement and play, crafts and a story. Younger siblings, up to age 10 months and in a backpack, are welcome. Exceptions to age groupings may be granted by PUDDLESTOMPERS to allow siblings to take class together.
